Customer Problem Statement

I am E-finance invenstor	I'm trying to invest on multiple good and funds	But don't know which sites are safe and secure	Because Fear of illegal sites and payments	Which makes me feel Frustrated
I am E-commerce webservice provider	I'm trying to provida safe and secure shopping portal	But the User may hesitate to use it	Because they might think that the site was fake	Which makes me feel Frightened
I am Social media influencer	I'm trying to reach people through the content	But it is only available in online medium	Because there is less number of people uses network and devices	Which makes me feel Unsecure with my data information in that field
